Chicago Sinfonietta presents an evening like no other at SOUNDSCAPE—a one-of-a-kind experience that promises excitement and intrigue at every turn! Proceeds from tickets, sponsorship, and silent auction support the Chicago Sinfonietta’s mission to champion diversity and build community through bold symphonic experiences for everyone.

Upon arrival at the stunning Epiphany Center for the Arts, immerse yourself in a world of musical possibilities. As the evening unfolds, converge in the Grand Epiphany Hall, where you’ll enjoy a gourmet dining experience, spectacular musical program, and an auction brimming with incredible travel and entertainment packages..

Chicago’s very own hometown historian **Shermann ‘Dilla’ Thomas** will be our featured speaker! As our 24/25 Artist-in-Residence, Dilla will share how the Chicago Sinfonietta has impacted Chicagoland with our commitment to being “an orchestra for Chicago, that looks like Chicago.”

This extraordinary event supports a truly worthy cause, and your participation makes all the difference. This is your chance to experience our sonic universe—purchase your sponsorship level and set the stage for a night of adventure, joy, and generosity!
